

ADPRIM 2014

12th Asia-Pacific Regional IAU Meeting
August 18-22, 2014 / DCC, Daejeon, Korea

Plenary Session

Session: Plenary Session I

Date: August 18, 2014 (Monday)

Time: 16:30~17:30

Room: Grand Ballroom 1

Chair: Young-Woon Kang (Sejong University)

[P1-1]

16:30~17:00

Astronomy in Korea and KASI

Inwoo Han (Korea Astronomy and Space Science Institute, Korea)

[P1-2]

17:00~17:30

IAU Today and Asia-Pacific Region

Norio Kaifu (International Astronomical Union, National Astronomical Observatory of Japan, Japan)

Session: Plenary Session II

Date: August 19, 2014 (Tuesday)

Time: 09:00~10:30

Room: Grand Ballroom 1

Chair: Sun Kwok (The University of Hong Kong)

[P2-1]

09:00~09:30

Large International Projects

Masa Hayashi (National Astronomical Observatory of Japan, Japan)

[P2-2]

09:30~10:00

Astronomical Collaborations in East-Asia: Present and Future

Paul Ho (Academia Sinica Institute of Astronomy and Astrophysics, Taiwan)

[P2-3]

10:00~10:30

Proliferation of Astronomy Activities and Collaborations in Southeast Asia

Boonrucksar Soonthornthum (National Astronomical Research Institute of Thailand, Thailand)

ADRIM 2014

12th Asia-Pacific Regional IAU Meeting
August 18-22, 2014 / DCC, Daejeon, Korea

Session: Plenary Session III

Date: August 20, 2014 (Wednesday)

Time: 09:00~10:30

Room: Grand Ballroom 1

Chair: Harinder P. Singh (Delhi University)

[P3-1]

09:00~09:30

LAMOST

Xiaowei Liu (Peking University, China)

[P3-2]

09:30~10:00

A Star Cluster View of the Universe

Myung Gyoon Lee (Seoul National University, Korea)

[P3-3]

10:00~10:30

The Bicep2 Experiment and Results

Hien Nguyen (Jet Propulsion Laboratory, California Institute of Technology, USA)

Session: Plenary Session IV

Date: August 21, 2014 (Thursday)

Time: 09:00~10:30

Room: Grand Ballroom 1

Chair: Lisa Harvey-Smith (CSIRO Astronomy & Space Science)

[P4-1]

09:00~09:30

Astronomy in Antarctica

Michael Burton (University of New South Wales, Australia)

[P4-2]

09:30~10:00

Science Goals of the Proposed Indian Solar Space Mission

Durgesh Tripathi (Inter-University Centre for Astronomy and Astrophysics, India)

[P4-3]

10:00~10:30

Next-generation Search for Exoplanets Led by Korea Astronomy Community

Cheongho Han (ChungBuk National University, Korea)
